Effective Veterinary-Client-Patient-Relationships

Rosslyn Biggs, DVM

Beef Cattle Extension Specialist/Director of Continuing Education
Outline

• Oklahoma Rural Veterinary Status
• VCPR Statutory Definition and Responsibilities
• Veterinarian and Client Partnership
Veterinarian’s Oath

Being admitted to the profession of veterinary medicine, I solemnly swear to use my scientific knowledge and skills for the benefit of society through the protection of animal health and welfare, the prevention and relief of animal suffering, the conservation of animal resources, the promotion of public health, and the advancement of medical knowledge.

I will practice my profession conscientiously, with dignity, and in keeping with the principles of veterinary medical ethics.

I accept as a lifelong obligation the continual improvement of my professional knowledge and competence.
Rural Veterinary Status

- Oklahoma Statistics NASS-2020
  - 2M Beef Cows

EXTENSION
Graduate Tracking: Classes of 2015-2019

- Food Animal/Mixed Animal
  - OSU Average 22.8%
  - National Average 16.02%
Oklahoma Veterinary Practice Act Definition

a. the licensed veterinarian has assumed the responsibility for making medical judgments regarding the health of an animal or animals and the need for medical treatment, and the client, owner or other caretaker has agreed to follow the instructions of the licensed veterinarian; and
b. there is sufficient knowledge of the animal or animals by the licensed veterinarian to initiate at least a general or preliminary diagnosis of the medical condition of the animal or animals in that:
1. the licensed veterinarian has recently seen or is personally acquainted with the keeping and care of the animal or animals, or
2. the licensed veterinarian has made medically necessary and timely visits to the premises where the animal or animals are kept or both, and
c. the licensed veterinarian is readily available for follow-up in case of adverse reactions or failure of the regimen of therapy, or has arranged for emergency medical coverage, and
Oklahoma Veterinary Practice Act Definition

d. the licensed veterinarian’s actions would conform to applicable federal law and regulations.
Relationship Development

• Team member
• Suitable to operation/practice
• Start before its an emergency
• Communication
  • Written
  • Virtual
  • Face-to-face
• Mutually beneficial
  • Profitability
  • Sustainability
Why Now More Than Ever?

• Animal health
• Animal well-being
• Regulatory requirements
• Consumer expectations
• Narrow margins
Animal Health

- Herd health protocols
  - Vaccines
  - Dewormers
  - Disease treatments
  - Medication selection and usage
  - Nutritional conditions
  - Genetics
  - Written and reviewed
- Biosecurity
- Emerging disease threats
- Herd health vs. Fire engine
- Emergency services
- Management strategies
- Record keeping
Treatment Protocol Plan

Type of Beef Animal: 

Disorder:

Indications for Treatment (symptoms of affected animals):

Primary Treatment
Product/Active Ingredient:
Dose:
Route of Administration: Route
Duration/Frequency of Treatment:
Withdrawal Period:
Other Comments:

Secondary Treatment
Product/Active Ingredient:
Dose:
Route of Administration: Route
Duration/Frequency of Treatment:
Withdrawal Period:
Other Comments:
